

# CREATIVE HOUSING SOLUTIONS

*How homebuyers, property owners, investors,  
and the community can all benefit from creative housing ideas*

- Are you a renter, but wish you could own a home?
- Do you own property and wish you could convert some of your asset to cash now, while continuing to live in your home, or share the responsibilities of homeownership?
- Would you like to invest in a way that generates a return on your money and contributes to the community?

*If you answered “yes” to any of these questions,  
come hear how you can benefit from creative housing solutions.  
Come for the whole event or any session, and join us for a potluck lunch.*

**Saturday, April 26, 9:30 A.M.–2:30 P.M., Dance Palace**

*Free admission—Everyone welcome*
