Supervisor Katie Rice  
3501 Civic Center Drive, Room 329  
San Rafael, CA 94903

Dear Supervisor,

The West Marin Chamber of Commerce supports the Community Land Trust Association of West Marin's (CLAM's) Request for Proposal to rehabilitate and manage the Coast Guard housing site in Point Reyes Station.

CLAM, with its partner, the nonprofit affordable housing developer, Eden Housing, together will have the financial strength, construction and property management expertise to bring this shared community vision to fruition.

We along with the communities of West Marin strongly support the use of this property to address the affordable housing needs of West Marin. The West Marin Chamber of Commerce hopes you will give CLAM, and, its partner Eden Housing every consideration in this community-based effort.

Thank you,

Frank Borodic, President  
West Marin Chamber of Commerce
